

龍年

One of the most unique traditions of Chinese New Year is the snack platter that every household prepares to welcome guests during the Lunar Festival.

Filled with an abundance of candies, nuts, seeds, and savory snacks, each item in the platter symbolizes the fortune to come in the new lunar year. We have crafted our own special platter with the distinctive Bun House twist to celebrate the Year of the Dragon with you!

Try writing this on the plain bun with the calligraphy brush and condense milk ink!

大吉 "dai ghut" translates to big mandarin or big fortune.
